github.com/hannannoor | linkedin.com/in/hannan-noor-875648361

Applied AI student seeking an AI, data or software development internship. Project experience in machine learning, cloud applications, mobile development and process automation; first-place hackathon team member and student leader.

EDUCATION

Temasek Polytechnic | Diploma in Applied Artificial Intelligence

Apr 2025 - Expected May 2028 | Cumulative GPA: 3.90/4.00 | Director's List, 2026

Achieved 4.00 GPA in the two most recent semesters. Distinctions in Machine Learning for Developers, Cloud Technologies for AI, Robotic Process Automation, and Data Structures and Algorithms.

TECHNICAL SKILLS

Programming: Python, JavaScript, Dart, SQL, HTML/CSS

AI and data: scikit-learn, Streamlit, KNIME, data analysis, feature engineering, model comparison

Development and automation: AWS Lambda, Flutter, Firebase, Riverpod, UiPath, MySQL, Git/GitHub

SELECTED PROJECTS

ChurnGuard | Python, scikit-learn, Streamlit GitHub

- Built a telecom churn analysis workflow with feature engineering and model comparison, plus a Streamlit app for customer scoring, prediction explanations and retention scenarios.

Findr Cloud | AWS, Python, JavaScript GitHub

- Developed a campus lost-and-found platform with image analysis, item matching and ownership verification; implemented seven Lambda functions, authenticated reports and private image access.

Findr Mobile | Flutter, Dart, Firebase GitHub

- Developed a lost-and-found app with authentication, reports and claims, chat, maps and notifications; integrated AI matching and a NETS QR payment demonstration in a sandbox environment.

Supplyr | UiPath, Python, MySQL GitHub

- Created an inventory and supplier-reordering workflow combining a Python reorder calculator, SQL data, purchase-order documents and an audit trail.

HACKATHON ACHIEVEMENT

1st Place | Leaders of Tomorrow Hackathon 2026 | Men's Kaki Club

- Co-developed a community initiative to help men aged 55+ connect and stay active. Worked with Precious Active Ageing Centre to organise a coach-led fitness and conditioning session.

LEADERSHIP AND SERVICE

Subcommittee Member | Temasek LEAD Ambassadors - Co-organising an upcoming group hike.

Tabletop Wizards | Founding Member & Head of Logistics - Club logistics and activities.

Selected service: Orientation Leader for an assigned class, IIT Freshmen Orientation 2026 (three days). Polytechnic Forum 2026 participant; TP Open House event official; project presenter. CCA grade: Excellent.

WORK EXPERIENCE

Usher | Sands Theatre, Marina Bay Sands | Part-time | Aug 2025 - Present

- Assist guests with directions, seating and enquiries; support crowd flow and coordinate with colleagues to keep event operations organised and welcoming.

SELECTED CERTIFICATIONS

AI Literacy - IBM, Oct 2026 | Basic Proficiency in KNIME Analytics Platform - KNIME, Aug 2025

NETS QR Payment Gateway Integration - Certificate of Achievement - NETS, Aug 2026
